Don’t let existing accounts with aging systems disappear. Retain your accounts by upgrading them to full interactive services. Simply add the Resolution Interactive Gateway Module (IGM) to a Honeywell Vista™, DSC PowerSeries™, Interlogix Concord® or NX® panel. Unlike other cellular modules, the Resolution IGM provides smart phone-based security and Z-Wave home automation control of locks, lights and appliances. Keep your existing accounts healthy and active with new technology from Resolution. The RE920 series of gateways incorporate a toggle switch allowing the technician to field configure the device based on the type of system it is installed on. This minimizes inventory requirements for the dealer and technician vehicles.

Compatible with:

- Concord & NX-4, NX-6, NX-8
- Honeywell Vista 15p and 20p, versions 3.0 & later (RE920X)
- DSC PowerSeries (PC580, PC1555, PC1555MX, PC1616, PC1832, PC1864, PC5010, PC5015, & PC5020 (RE920X)
- GE Simon XT and XTi (RE920S)

Further device features:

Ethernet, Wi-Fi & Cellular options available. Field configurable for panel compatibility. New services to existing customers without replacing the panel. Reduced account attrition rates.

Warranty: Resolution Products, Inc. will replace products that are defective in their first five (5) years.
Helix™ Standard IP Connection

Every Helix panel comes standard with an ethernet port located on the side of the device. Wi-Fi and Cellular expansion cards can be purchased as an option, but Ethernet will remain the primary connection for every system. This assures that every user will have connection to their local network with maximum security and range without extra cost or installation. The Helix is stylish enough to place in a home office or living space or wherever the router is installed in the home. 24 hour battery back-up support is included with every panel for worry free security and home automation.

Compatible with:

- Resolution CryptiX™
